REGISTERED - RETURN RECEIPT REQUESTED

STATINTL

Washington 5, D. C.

Dear Vic:

Enclosed are several copies of the System 9A Test Equipment List (Preliminary), per your request.

The special ATI pieces are not expensive - of the order of \$100.00 total for Test Control Box, Test Cable Kit and Spacer Card.

With regard to scheduling of deliveries - present estimates indicate prototype delivery on or about 1 February 1963, as proposed.

Best regards,

Bill
